01. CORPORATE PROFILE & INDUSTRY STANDING

Apparel Emporium is a premier 100% export-oriented garments buying house headquartered in Bangladesh. We specialize in B2B corporate sourcing, design, manufacturing supervision, and global logistics for readymade garments, knitwear, woven fashion, sweaters, home textiles, and accessories.

CEO'S STRATEGIC MESSAGE

"Our unwavering mission is delivering reliable apparel sourcing aligned strictly with buyer-defined quality specifications and ethical supply chains."

With over 15 years of industry leadership, our dedicated merchandising and quality assurance teams guarantee total production transparency and buyer satisfaction.

— Managing Director & CEO, Apparel Emporium

OUR VISION

To be the most trusted, socially compliant, and quality-driven garments buying house in South Asia for world-class fashion brands.

OUR MISSION

To engineer sustainable garment manufacturing partnerships, offering complete end-to-end merchandising from design to FOB shipment.

CORE VALUES

Uncompromised Integrity, Buyer-Aligned Quality Standards, Environmental Stewardship, and Transparent On-Time Global Deliveries.

COMMITTED TO EXCELLENCE IN GLOBAL APPAREL MERCHANDISING

Providing international retail brands with dependable supply chain solutions tailored strictly to buyer technical specifications, ethical factory audits, and reliable global shipment execution.
